Academy

## Import Compliance

We help companies with the following services.

- Customs Evaluations (mock audits)
- Development of Import Procedures and Manuals
- Advisory services on Customs Valuation, eligibility for Preference programs, Warranty returns, Free Trade Agreements (i.e. NAFTA), Rules of origin etc.
- Prepare Binding rulings, scope rulings, responses to CBP correspondence (CF28 & CF29).

## Export Compliance

We help companies with the following services.

- Export Evaluations (mock audits)
- Developing/updating an Export Management Compliance Program (EMCP)
- Advisory services on EAR & ITAR
- Assistance with ECCN determination, Export License and SNAP-R applications

## Cargo Security Initiatives

We help companies with the following services.

- Customs-Trade Partnership Against Terrorism: Application and Validation assistance
- Free & Secure Trade (FAST) application
- Partners In Protection (Canada)
- TSA rules & Certified Cargo Screening Program

## Multi-country Rules

We help companies with the following services.

- Each country has its own set of rules & regulations
- We can evaluate costs & requirements of entering a foreign customs jurisdiction
  - Tariff classification
  - Rate(s) of customs duty
  - Import licensing
  - Other documentary requirements

## Training & DSG Global Academy

We help companies with the following services.

- Training provided on every international trade topic.
- Training can be provided onsite (class-room style) or remotely (webinar style).
- Training customized based on a customer's industry, as well as skill-levels (basic, intermediate, advanced), or functional area (finance, logistics, legal etc.)
